

COMFORT private

Tailor-made for your own individual portfolio

«COMFORT private» allows you to prepare an investment solution tailored to your exact requirements in consultation with our specialists.

Together with us, you define your individual long-term asset allocation (strategy): the breakdown into asset classes, the way in which strategy is controlled and implemented, the type of investment instruments and preferred themes, regions and sectors.

How you benefit

- Investment specialists devise your preferred portfolio together with you.
- The portfolio precisely replicates your personal ideas and objectives
- Consistent and systematic investment process within the scope of your investment strategy
- Constant monitoring of your portfolio
- Detailed reporting and all the documents you need for your tax return (only available for selected countries)

«What we recommend to our clients is also good for St. Galler Kantonalbank. We have faith in our Investment Center experts. That's why CHF 30 million of our assets are invested in the COMFORT asset management mandate.»

Christian Schmid
CEO of St. Galler Kantonalbank AG
