

# COMFORT investment package

## Professional asset management by investment specialists

### Your requirements

You do not want to engage with financial market developments on a day-to-day basis. You decide on your personal investment strategy together with your client advisor. However, you delegate investment implementation and the systematic monitoring of your portfolio to our experienced investment specialists. Which means you can sit back and relax.

Find the mandate that best suits your requirements.

➔ [sgkb.ch/mandate](https://sgkb.ch/mandate)

### Your advantages

- You determine the desired strategy and the appropriate mandate type together with your client advisor
- You trust an investment solution that involves our experienced investment specialists actively looking after your assets
- You benefit from our market forecasts, which are implemented on a fiduciary basis
- You have a choice between an attractive flat-rate price or a performance-dependent price
- Greater security thanks to regular, transparent reporting
- e-tax statement included

### Advice and support

- Personal client advisor
- Careful clarification of your investment needs, knowledge and experience
- Determination of the investment strategy that is right for you
- Selection of appropriate mandate solution
- Regular, one-to-one performance discussions

### Portfolio and risk monitoring

Daily systematic monitoring by investment specialists

### Portfolio management

- Strategy-compliant mandate management by investment specialists
  - Tactical strategy changes
  - Analysis and assessment of individual securities
  - Rapid response to market changes

### Research and financial analysis

- Market analyses under ➔ [sgkb.ch/enews](https://sgkb.ch/enews)
- Monthly “CIO Talk” telephone conference

### Securities portfolio services

- Administration of your securities
- Detailed asset statement with performance details and portfolio analysis
